

TRACY GRAMMER DUO (w/JIM HENRY)

2018 Stage Plot + Technical Rider

PERSONNEL

TRACY GRAMMER: acoustic guitars, violin, vocals

JIM HENRY: acoustic/electric guitars, mandolin, Dobro, vocals

TECH REQUIREMENTS

The board should have:

- 48v phantom power
- Sweepable 4-band EQ minimum
- Reverb options
- A professional sound operator

STAGE SETUP

NOTE -- Artists will supply their own vocal mics, guitar stands, DIs, and guitar amp. Please provide the following:

Two (2) boom stands for vocals, with XLR cables and mic clips

Two (2) stage monitors, angled as shown

One (1) power strip stage R

One (1) XLR and mic to place in front of Jim's amp, either draped or on a short stand

One (1) stool or low table center stage for water and accessories

Communication is key! If you foresee any issue with this stage setup, please be in touch so we can figure out options. Tracy 503-475-7473 cell/text. Thank you!
