

# TRACY GRAMMER DUO (w/JIM HENRY)

2019 STAGE PLOT & TECHNICAL RIDER

## PERSONNEL

**TRACY GRAMMER:** acoustic guitars, violin, vocals | **JIM HENRY:** acoustic/electric guitars, mandolin, Dobro, vocals

## TECH REQUIREMENTS

The board should have:

- 48v phantom power
- Sweepable 4-band EQ minimum
- Reverb options
- A professional sound operator

## STAGE & LIGHTING SETUP

*Artists will supply their own vocal mics, guitar stands, DIs, and guitar amp. The house provides the following:*

Two (2) boom stands for vocals, with XLR cables and mic clips

Two (2) stage monitors, angled as shown

One (1) power strip stage R

One (1) XLR and mic to place in front of Jim's amp, either draped or on a short stand

One (1) stool or low table center stage for water and accessories

**Lighting:** At minimum, the performance area should be well lit with a general wash over the entire stage, but colored lights are strongly preferred. Should existing lighting be insufficient for event, lighting from a third party should be rented.

*Communication is key! If you cannot meet these requirements, please contact us and we will work with you to ensure the best possible setup within your restrictions: **Tracy 503-475-7473 cell/text**. Thank you! We're looking forward to the show!*
